

Linux Users' Group of Davis Presents:  
**An Open Linux Workshop**

Join LUGOD this month for an open workshop on Linux!

Interact with our demonstration hardware and software, talk to hobbyists and professionals who use Linux in every walk of life, and learn more about the world of Free and Open-Source Software available for everyone to use.

**When:** April 15<sup>th</sup>, 7-9pm

**Where:** Davis Makerspace in downtown Davis  
(221 G St #1337 – in Tim Spencer Alley, behind Woodstock's)

**Directions:** <https://www.lugod.org/meeting>

<https://lugod.org>

a 501(c)(7) not-for-profit computer club  
supporting open-source since December 1998
