

Linux User's Group of Davis Proudly Presents

GNOME AND FREE SOFTWARE

A look at the future of FOSS and the
GNOME Project.

Explorit Science Center

3148 5th Street, Davis | 7 PM, March 23, 2020

Join us for a talk and discussion on the future of the free software movement and the work of the GNOME Foundation.

Guest Speaker

Britt Yazel, a Davis-based GNOME board member, Ph.D. Candidate, Neuroengineer, and FOSS advocate, will join us for a discussion on how he became involved with FOSS and GNOME, what the Foundation and project are up to lately, and a look at the next ten years of the movement.
